

Private Lessons 2020

Private Lessons provide an opportunity for one-on-one instruction to help develop or sharpen sailing skills, which could empower a new sailor with the confidence to advance to the next level or offer an experienced junior that needs an edge on the course. Instruction follows the curriculum that best matches the sailor's interest level/ability and is determined by the sailors' time commitment. Hourly lessons are possible with available coaches on staff. These lessons are reserved on a first-com, first-serve basis, and are offered after regular instruction ends.
